### Finding elected officials by address

To find the information for a Chicago **address**:

Go to [chicagoelections.com](http://chicagoelections.com) [chicagoelections.com/en/home.html](http://chicagoelections.com/en/home.html)

Click on "Voting" on the far left

Select "Your Voter Information"

Enter the voter's address

There are four places to fill in: Number, direction (drop down) street name and

Street type (drop down)

Hit "enter"

You will see

Click on public officials to see all of them and their contact information. Many officials do not list an email address but have you go to their web site and follow a procedure to send an email to be sure you are not a robot!

You can obtain more information if you add a name when you first enter the address information. If the person is registered the name will appear. Click on the name. Polling place (with district information), Officials, Sample ballots, and Vote by Mail information will be available when applicable.
